

Tools requested for the 2019 ABI Rehabilitation Toolbox!

Guidance for the post-discharge rehabilitation of children, adolescents and young adults with Acquired Brain Injury

Last year the International Paediatric Brain Injury Society (IPBIS) launched a 'Toolbox' containing summaries of rehabilitation tools and programmes for professionals who work with children, adolescents and young adults, with mild to severe Acquired Brain Injury (ABI), and their families and carers.

Produced together with The Eden Dora Trust for Children with Encephalitis, the Toolbox can be accessed at:
