Fifth International Conference on Paediatric Acquired Brain Injury

Building a better future together

Glasgow Scotland

2024
18-21 September

www.ipbis.org
ABOUT THE CONFERENCE

The International Paediatric Brain Injury Society (IPBIS) is pleased to announce that the Fifth Biennial International Conference on Paediatric Acquired Brain Injury will be held in Glasgow, Scotland, from 18-21 September, 2024.

As the leading international conference on the topic of paediatric brain injury, this event builds on the success of IPBIS's prior conferences held in Liverpool (2015), Rome (2017), Belfast (2019), and New York (2022).

With the theme Building a Better Future Together, this Conference will focus on the development of innovative treatments, rehabilitation programmes, support mechanisms and ways to improve the lives and potential of young people affected by brain injury. The educational programme will be inclusive of all issues relating to paediatric brain injury, both traumatic (e.g., external physical force injuries, penetrating injuries) and atraumatic (e.g., infectious diseases, tumours, stroke, neurotoxic poisonings, etc.).

WHO WILL ATTEND?

The Conference will bring together multidisciplinary professionals with an interest in improving outcomes for children, adolescents, and young adults with acquired brain injury and their families/carers.

Attendees will be comprised of physicians, neuropsychologists, therapists, allied health professionals, and brain injury advocates. This list is not exhaustive and the organisers expect all multidisciplinary professionals involved in paediatric brain injury will benefit from this valuable opportunity to engage with experts, gain insights, and establish new collaborations.

EDUCATIONAL OBJECTIVES

The Scientific Planning Committee is developing a broad educational programme that will address a wide range of brain injury topics, including:

- The epidemiology of acquired brain injuries in children and adolescents from a world health care perspective,
- Evidence-based research regarding the nature and efficacy of medical, clinical and educational rehabilitation of acquired brain injuries in children and adolescents,
- The varied causes of ABI in childhood, including medical conditions and non-accidental traumatic injuries,
- Protocols to support families affected by paediatric ABI, towards affecting change at National and International levels,
- Models of innovative systems, services and supports for children with ABI and their families, and
- How to better recognize, manage and treat mTBI/concussions in children/adolescents.

Teeming with history, nightlife, and cultural attractions, the dynamic city of Glasgow is one of the world’s most attractive destinations!
CONFERENCE FORMAT

The Conference will feature a number of lively debates on key specialty areas over a three day period. The educational format will include plenary talks, concurrent tracks for oral presentations, symposia and poster sessions.

ABOUT THE INTERNATIONAL PAEDIATRIC BRAIN INJURY SOCIETY

The International Paediatric Brain Injury Society is an association of multidisciplinary professionals dedicated to advancing research and disseminating knowledge on paediatric brain injury.

Members of IPBIS collaborate to develop and share best practices, mentor colleagues, advance research and promote prevention for the benefit of children, adolescents and young adults with acquired brain injury and their families.

In 2013, IPBIS entered into a strategic affiliation with the International Brain Injury Association (IBIA), the world’s largest organisation for multidisciplinary professionals working in the field of brain injury.

IPBIS has organised highly successful, abstract driven conferences attracting delegates from more than 40 countries around the globe. We expect the 2024 IPBIS Conference in Glasgow to be one of the most educationally significant events on the subject of paediatric brain injury ever held!

EXHIBIT AND SPONSORSHIP

Your sponsorship and exhibit presence at the International Conference on Paediatric Acquired Brain Injury in Glasgow will bring you face-to-face with the decision makers and key opinion leaders who are shaping the future of paediatric brain injury research, treatment and rehabilitation.

The Conference presents a unique opportunity to promote your organisation to this highly specialized group of professionals.

IPBIS is pleased to offer a variety of support and exhibit opportunities with a range of price points to fit most budgets.

Please review the opportunities listed on the page that follows, and of course feel free to email: info@internationalbrain.org with any sponsorship or exhibit questions you may have!

Make sure your organisation is represented at the most important paediatric brain injury event in 2024!

ABOUT THE VENUE & GLASGOW

The Conference will be held in the University of Strathclyde’s Technology & Innovation Centre, a state-of-the-art venue located in the heart of Glasgow.

As Scotland’s largest city, Glasgow is a bustling, vibrant place, with much to offer visitors. Well known for its culture and architecture, shopping and lively nightlife, the city centre is the dynamic heart of this warm and friendly city. But that’s not all there is to Glasgow. The beautiful waterfront of the River Clyde and green spaces of Glasgow’s parks provide a haven for outdoor enthusiasts too; there’s something for everyone. Glasgow has a reputation for eating, drinking and being merry! And from the vast array of pubs, clubs and restaurants you’ll find on your doorstep, wherever you stay in the city, it’s not hard to see why!

GALA DINNER AT THE KELVINGROVE

Opened in 1901 and housing 22 galleries filled with world class fine art, stunning design pieces and artefacts from around the globe, the magnificent Kelvingrove Art Gallery and Museum will host delegates for the IPBIS Conference Gala Dinner.

Situated in Glasgow’s park-filled West End, delegates will enjoy dinner and libations, followed by a lively Scottish Ceilidh (participation is encouraged!). The Museum’s magnificent collection can also be viewed by delegates during this unique event.

**EXHIBITION TRADE DISPLAY £1,950**

Take part in the Conference exhibition to ensure maximum exposure and enjoy face-to-face interaction with paediatric brain injury decision makers and key opinion leaders. Exhibiting at the Conference will provide your organisation with comprehensive access to delegates and includes:

- Trade display comprising of clothed table and 2 chairs
- One full registration to the conference for your organisation’s representative
- Opportunity to purchase two additional exhibition passes for £350 each.

The exhibition will run for the duration of the Conference. Site positions will be allocated by the committee based on each organisation’s level of sponsorship (if any), the date of booking, and proximity to competitors. All scheduled food and beverage events will be located within the exhibition area to ensure that your organisation has excellent exposure to delegates.

INDIVIDUAL OPPORTUNITIES

GALA EVENT £10,000
Your organisation will be recognised as the supporter of the social highlight of the Conference held at the Kelvingrove Art Gallery and Museum. The Kelvingrove is one of Scotland’s most popular attractions and features 22 themed, state-of-the-art galleries displaying an astonishing 8000 objects. This high-profile opportunity will be reserved quickly. Joint sponsorship by two organisations for £5000 each would be considered.

CONFERENCE APP £5,000
The supporting company will underwrite the Conference app. This important technology is a critical component of the Conference and will feature your logo on the splash screen.

TRAINEE REGISTRATIONS £5,000
Show your support of the next generation of paediatric brain injury professionals. A special ribbon printed with your name will be affixed to all trainee name badges.

INTERNET ACCESS £5,000
Always in demand, meeting attendees will greatly appreciate wireless internet access in the conference area. The supporter will be recognized throughout the meeting in signage and electronic communications.

REGISTRATION BAGS £5,000
Your organisation’s logo or name will be printed on the registration bags provided to every attendee.

LANYARDS £4,000
Supporter logo or name will be printed on all name badge neck lanyards provided to each attendee. This high-profile opportunity ensures your company will be recognised throughout the Conference.

THINKING PODS £2,000
Your organisation will be recognised as the supporter of informal yet impactful sessions comprised of small groups led by experienced professionals. Thinking Pods are specifically aimed for early career professionals but open to all.

LUNCH SUPPORT £2,000 (EACH)
Keep attendees close by during the lunch hour and associate your company with this great attendee service. Supporter will be acknowledged in all Conference materials.

POSTER SPONSOR £2,000
The supporter will be recognized on signage and in the programme materials before, during and after these well-attended educational events.

HOSPITALITY SUITE £2,000
Supporter will host and entertain their guests throughout the Conference. Support includes branding the entry to the hospitality suite and acknowledgement on signage outside the suite.

BAG INSERTS £600 each
Your organisation can place one insert into the registration bags given to all attendees. Inserts must be A4 size or smaller.

Prices are provided in pounds sterling, but IPBIS is happy to convert and invoice in your preferred currency.
